Henry

02/2022 - 08/2022

Courses

Full stack web Developer at HENRY

PERSONAL PROJECTS

Pokedex (02/2022 - 03/2022)
- For HENRY's Individual Project I built a website about Pokémon where you can find all Pokemon Info.

Wallaby (07/2022 - 08/2022)
- A NFTs marketplace Built from scratch, This app also has other functionalities such as filtering, search, user login, user admin, rating, a chatbox, among others.

Notes App (04/2023 - 05/2023)
- For my personal knowledge i built an Application for storing, creating and organize notes with tags using TypeScript and Bootstrap. the preview of the project can be find in my portfolio
